MEMORANDUM

To: Senator Thomas J. Dodd
Acting Chairman
Senate Subcommittee on Internal Security.

From:

Subj: The Bang-Jensen Case

Date: April 8, 1960

In accordance with your instructions, I have since January 15th been conducting a preliminary investigation into the case of Povl Bang-Jensen. With the cooperation of

of the Council Against Communist Aggression, the Editor of the Indianapolis Star, the New York Police Department, etc., I have been able to put together certainly the most comprehensive documentation that has yet existed in a single file drawer. Combined with the documents already in possession of the Subcommittee on Internal Security, our current documentation adds up to some 4,000 to 5,000 pages.

I have also interviewed approximately 40 witnesses, some of them several times.

I am convinced that there are at least several aspects to the Bang-Jensen case which would make it a significant and

C

fruitful field for investigation.

In the sections of my report which are attached, I have covered what I consider to be the most significant aspects of the Bang-Jensen case. The sections that remain to be written will total an estimated 40 to 50 pages, and will require another several days' work.

[REDACTED] and [REDACTED]
